A note to parents of small children: Though we have a nursery for infants and toddlers under two, our church encourages its members and our visitors to include their children in our worship services. We understand that this practice may be unfamiliar to some, and that forbearance and patience are required by all, so our foyer is equipped with speakers in order to serve as a worship service behavior training area and cry rooms, with speakers, are provided down the hall. Being mindful of others, please don't hesitate to use them.

The Voice of Creation

by Anne Steele

- 1 There is a God, all nature speaks,
Through earth, and air, and seas, and skies;
See, from the clouds his glory breaks,
When the first beams of morning rise.
- 2 The rising sun, serenely bright,
O'er the wide world's extended frame,
Inscribes, in characters of light.
His mighty Maker's glorious name.
- 3 Almighty goodness, power divine,
The fields and meadows all display ;
And bless the hand which made them shine,
Their maker's name they all proclaim.
- 4 Ye curious minds, who roam abroad,
And trace creation's wonders o'er,
Confess the footsteps of our God,
And bow before him, and adore.

Tune: "Jesus, Thou Joy of Loving Hearts"
