A note to parents of small children: Though we have a nursery for infants and toddlers under two, our church encourages its members and our visitors to include their children in our worship services. We understand that this practice may be unfamiliar to some, and that forbearance and patience are required by all, so our foyer is equipped with speakers in order to serve as a worship service behavior training area and cry rooms, with speakers, are provided down the hall. Being mindful of others, please don't hesitate to use them.
