## The Second London Baptist Confession of Faith (1689) Chapter XXV: Marriage

1. Marriage is to be between one man and one woman. A man must not have more than one wife nor a woman more than one husband at the same time.
2. Marriage was ordained for the mutual help of husband and wife, for the increase of humanity with legitimate offspring, and for the prevention of immorality.
3. Everyone who is able to give rational consent may marry. Yet Christians are to marry in the Lord. Therefore, those who profess the true religion should not marry unbelievers or idolaters. Nor should the godly be unequally yoked by marrying those who lead evil lives or hold to damnable heresy.
